Kitchen Committee

Thanks to the folks who cooked tonight. The current donations for the game dinner include Bear, Moose, Venison and Pheasant. The raffle committee is looking for raffle donations for the game supper.

The committee spoke about needing to update the kitchen to provide for more effective sanitization. They have talked to several members who are willing to perform the upgrades. The primary cost would be for materials as the members will be providing the labor. A motion was made to spend up to \$20,000.00 for the necessary upgrades. This will be voted upon at the February meeting.

Election Committee

At 8:59 the committee presented the election results. As there were 10 candidates for 8 positions, the highest vote totals were tallied, and those candidates were elected. Should a BOD member step down, the next highest voted candidate will assume the position for the remainder of the term.

The meeting was concluded with a moment of silence for the passing of longtime club member and friend Ray Louchart. Ray will be missed by us all.
